

Chapter 9

TRADE

Q. 1. Draw a compound bar graph using statistical information related to export-import of some countries given on page 74 of the textbook and comment upon the balance of payments of the respective countries :

Explanations :

Country	Export	Import	Difference	Trade's magnitude
China	2143	1960	+183	4103
India	272	380	-108	652
Brazil	190	241	-051	431

USA	1510	2380	-870	3890
-----	------	------	------	------

- (1) Favourable balance of trade : China
- (2) Unfavourable balance of trade : India, Brazil, USA
- (3) Maximum volume of international trade : China and USA
- (4) Countries dominating international trade : China and USA
- (5) Countries that are insignificant in international trade : India and Brazil

Q. 2. Find out the names of the member states of the following organisations with the help of the internet. Show these member nations on the outline map using different colours for each organization : (A) OPEC member countries (B) SAARC member countries.

Q. 3. Try this. (Textbook page 73)

A list of few goods you regularly use at home is given here. Write the name of the product, the manufacturer's name and the source of information in front of it :
