

CHAPTER 9 : DISASTER MANAGEMENT

Topic:-

Collect information about NDRF, RPF, CRPF and NCC from the internet.

Introduction:-

Our country, India, is a vast nation facing diverse security, natural disaster, and social challenges. To safeguard its citizens during catastrophic floods and earthquakes, protect critical railway infrastructure, maintain internal peace, and cultivate discipline and patriotic values among school and college students, the Government of India has established dedicated organizations.

Four of the most respected organizations serving our nation are: the **National Disaster Response Force (NDRF)**, the **Railway Protection Force (RPF)**, the **Central Reserve Police Force (CRPF)**, and the **National Cadet Corps (NCC)**. Whenever disaster strikes or help is needed, the brave men and women of these forces rush to the frontlines without caring for their personal safety. In this project, we used the internet to research their history, mottos, responsibilities, and heroic service to our motherland.

❖ Quick Overview of the Four Pillars:-

- **NDRF:** India's premier specialized force for disaster rescue and relief operations.
- **RPF:** Armed central security force protecting millions of railway travelers daily.
- **CRPF:** The largest central armed police force maintaining internal peace and fighting terrorism.
- **NCC:** The premier tri-service youth organization instilling character, discipline, and leadership in students.

Aim & Internet Research Method:-

Aim: To research official government portals to collect and document detailed profiles of NDRF, RPF, CRPF, and NCC, highlighting their mottos, roles, and community contributions.

❖ Objectives of the Study:-

- To understand how specialized rescue forces operate during floods, quakes, and accidents.
- To explore youth training and leadership opportunities available in the NCC for school students.
- To prepare a structured comparative reference matrix of all four organizations.

❖ Official Portals Researched:-

- NDRF: ndrf.gov.in | RPF: indianrailways.gov.in
- CRPF: crpf.gov.in | NCC: indiancc.nic.in

Profiles: NDRF & RPF:-

Our internet research documented the operational duties of NDRF and RPF:

- **1. National Disaster Response Force (NDRF):**

- **Motto:** "आपदा सेवा सदैव सर्वत्र" (Disaster Service Always Everywhere).
- **History & Structure:** Formed under the Disaster Management Act, 2005. Comprises 16 specialized battalions drawn from central forces, stationed across disaster-prone zones.
- **Equipment & Capabilities:** Inflatable motorboats, canine sniffer dog squads that locate buried survivors under debris, thermal cameras, and hydraulic diamond concrete cutters.
- **Global Praise:** NDRF earned international acclaim for saving lives during the 2015 Nepal earthquake and the 2023 Turkey earthquake (Operation Dost).

- **2. Railway Protection Force (RPF):**

- **Motto:** "यशो लभस्व" (Attain Glory); operates under the Ministry of Railways.
- **Key Campaigns:** 'Operation Nanhe Farishte' (rescued over 10,000 lost and runaway children at railway stations) and 'Operation Meri Saheli' (provides 24/7 safety for women traveling alone).

Profiles: CRPF & NCC:-

Our study continued with the nation's largest police force and premier youth wing:

- **3. Central Reserve Police Force (CRPF):**
